### Pavement outside Northgate Church

Please can people be aware that the pavement outside the Church is significantly wider than before; it is not for parking on. To do so blocks it for pedestrians, especially those with push chairs. If you need to drop a passenger at the Church door, you should stop in the roadway and let them out. While this will block the passage of other vehicles, it will not be for long. Bumping up half on the pavement should also be avoided as the roadway is too narrow for this to enable vehicles to pass you. I am sorry if you feel this is all self-evident but there have already been a couple of problems. As the scheme develops, there will be a loading/unloading area just past the end of the Church. Also, the back door of the hall block will be eased to make delivering things through that door easier.

Many thanks, David Witham

## Pray Without Ceasing

There is a quiet corner by the 'Prayer Net', where there is a box for confidential requests for prayer or contact the Prayer Circle through Sheila 01926 491516 or Norma 01926 493630

Weave a silence, O Lord,  
onto our lips,  
a silence into our minds  
and a silence within our hearts.  
Close our ears to distraction,  
our eyes to illusion  
and our heart to temptation,  
and fill our lives with the glory of your presence.  
Amen

*Based on a traditional Celtic Prayer*
