We would love you to join us in a celebration of the life of our wonderful Andy Laird.

Andy planned for this service to be a celebration of his life, and requested that guests wear colour, so please feel free to be bright!

We would love to hear your memories of Andy, and we will be providing cards that people can fill in with their favourite memories of him.

There will be a retiring collection, and this will be split between the MND Association and Shakespeare Hospice whose support to us during Andy's final days was incredible.

We politely request no flowers, but contributions to Andy's fightback fund supporting the MND Association will be gratefully received. You can make your [donation here](https://andy-laird-fightback.muchloved.com/Fundraising/Events/653446882).

There is very limited parking at church, we would recommend using one of the multi storey car parks, [St Peter's car park is nearby](#).

We know not everyone will be able to attend in person and arrangements are being put in place to stream the service live on the Dale Street Methodist Church YouTube page.

We have received lots of lovely cards, messages and flowers and thank you for these, they have been lovely to receive with so many kind words about Andy.

Kind regards

Ann, Becky, Chris, Matt and Hannah
